## Appointment Reminders and Online Appointment Scheduling

You can receive an appointment reminder to your email address, your cell phone (via a text message), or your home phone (via a computer generated voice message) the day before your scheduled appointments.

You can also enjoy the convenience of online scheduling at any time. Once your account is established, you simply visit **www.therapyappointment.com** to schedule or reschedule your appointments. You may continue to schedule appointments in person or by telephone, but if you have Internet access, you are sure to enjoy the convenience of this online system.
